PARADISE LOST AND RESTORED

By Pastor Morris Kullman

PARADISE! What a soul-stirring word; what an ethereal feeling awakes with the utterance; what an eternal sense is carried to our mind, when we hear or think of this place. You can talk of all things present, past or future, yet none will arouse a more profound interest than the mention of Paradise, because it was the home of our first parents, and all these many years we, the human race, have been exiles from our home.

Much has been said and could be said on this matter, in theological, archeological, and mythological ways, but the aim in this article is to show what the Holy Book teaches about the past, present and future of Paradise.

The mythology of the Bible Paradise would fill several volumes, as almost every people have expressed their opinions and viewpoints on how they feel or think of this place. But we will not consider the mythology of the matter, so we will direct our attention to another side.

From an archeological viewpoint, there never has arisen a more perplexing question than the one of definitely locating the whereabouts of this place, or any idea with a certainty attached to it where it was once located, or where it now exists.

But from a Bible standpoint, we are very plainly informed of all the detail of the will of God, past, present and future about this place of bliss. In searching the Word we can satisfy the rational mind with much evidence about Paradise. Briefly we want to quote some of the opinions of well-known men on the subject.

PHILO JUDAUS. He held the theory that Paradise foreshadowed the governing faculty of the soul, the tree of life represented religion, the true means of immortality.

ORIGEN. He taught that Paradise was heaven, the trees were angels, and the rivers which are spoken of in the word "above" as the abiding place of the Adamic race, and this was located in the ethereal heaven prior to its being placed on earth. This place of bliss was Satan's abiding place until he fell and was cast out nevermore to return.

At the creation of a perfect man (Genesis 1:26, 27), God provided a perfect place (Genesis 2:8) for him to reside in. The Hebrew word "planted" (vayitah), in Genesis 2:8, carries in itself the thought of "transplanting," so here we see the possibility of Paradise having been taken from heaven and put here on earth, as the abiding place of the Adamic race. And this being true, we can also see why Satan was attracted to the Garden of Eden, when it was transplanted from heaven. This place (PARADISE) was formerly his home, and he, being cast out of there (Luke 10:18), naturally was attracted by its presence here on earth, he being able to see it, as he was then the Prince of the Power of the air (Ephesians 2:2).

Satan was much acquainted with the position and condition under which man was placed in the Garden of Eden, and because of his knowledge of the peculiar conditions and the sanctity of that place he used his cunningness (Genesis 3:1) to entice Eve to tell her first falsehood (Genesis 3:3),... neither shall ye touch it, lest ye die (Compare with Genesis 2:17), knowing that, if she could be persuaded to commit the great offense of disobedience to the revealed will of God (Genesis 2:15-17), it could only result in the consequent anger of a just God, who would be unable to consider the offender until restitution was made for the wrong committed.

Not alone did man fall when he accepted of such contemptible advice as that of Satan (Genesis 3:4), but also the curse was extended to the realm of the animal kingdom (Genesis 3:14), as the word "above" (Hebrew, "seos") means more than other's—portrays a fallen animal domain; and, besides the curse on the woman (Genesis 3:16), the ground was cursed (Genesis 3:17), and man was not allowed to remain in the Garden of Eden, but was driven (Genesis 3:24) out from thence, as both man and Paradise had been defiled by the fall of man.

And since Paradise had lost its former purity, in which it was transplanted from heaven here on this earth, it is impossible for God to return it to heaven without it being cleansed from the stain of the pollution which it received in consequence of the fall of man. So God placed Paradise into the bowels of the earth, in Sheol (Hebrew word for "hell"), as Jesus explained it in Luke 16:19-31, where it had to remain until the promised Seed of the woman (Genesis 3:15) could be sent to cleanse Paradise from this stain and...
restore it to heaven, its former place of abiding. And as also, as the result of the fall of man through sin and the introduction of death, the period of physical death was passed upon them (Genesis 3:19) so that the body of man had to return to the dust from where it was taken, to await the time of redemption from the curse of death, while the soul entered into Paradise (UNRESTORED) awaiting the morning of everlasting victory through the redeeming power of the promised Redeemer, so for over 4030 years, all the Old Testament believers in the coming of the Messiah, had to pass through the ordeal of death of their bodies, and the captivity of their souls in Paradise (UNRESTORED) in the bowels of the earth (Psalms 68:18; Ephesians 4:8). But with the death and resurrection of Jesus Christ, atonement was made for the sins of mankind, for restoration of Paradise to heaven; since He descended into the underworld (1 Peter 3:19), released Paradise from its sin-stained moorings, ascended back to heaven, bringing Paradise, some of the resurrected saints (Matthew 27:52, 53), with the spirits of just men made perfect (Hebrews 12:23), back to its original abiding place, i.e., heaven.

So much of the history of Paradise is past up to the time of the cross of Calvary, and now we will consider Paradise from this point of departure, to the setting of the New Jerusalem on this earth, and the restoration of primeval conditions as they were when man was first created (Isaiah 11:6-8).

With the taking of Paradise from the bowels of the earth and its restoration to heaven, a great change was made in the abiding place of the souls of men. The souls of the wicked dead, remain in the lower hell (Deut. 32:22; Psalms 86:13), until the thousand years reign of Christ is ended here on earth (Rev. 20:5), after which Satan, who will have been bound for this period of time (Rev. 20:2), shall be cast into the Lake of Fire (Rev. 20:10), and then shall come the Judgment of the Great White Throne, at which only the wicked dead appear, who have not been overcomers (Rev. 21:7, 8), and the inevitable result will be, that they shall be cast into the Lake of Fire, which is the second death.

But, on the other hand, the souls of the righteous dead no longer descend to the bowels of the earth, but are taken up to the immediate presence of God (2 Cor. 5:8), where they abide awaiting the resurrection of their bodies, which earth rise when Jesus comes (PAROUSIA, Greek word for "Rapture," 1 Thess. 4:14-17), and with Him, they, as the CHURCH TRIUMPHANT, will enter into the place which He has gone to prepare for them (St. John 14:2). And here the Old and New Testament saints will abide for the period of the GREAT TRIBULATION. There the souls of the righteous dead will be united with their new resurrected bodies (their soul from Paradise shall descend with Jesus, their body from the grave shall rise into mid-air), and as a resurrected, glorified CHURCH TRIUMPHANT THEY SHALL SWEEP THROUGH THE GATES of the heavenly place, PARADISE. Here all the bodies of the righteous dead, who were not resurrected when Jesus rose (Matt. 27:52, 53) will rise.

After the GREAT TRIBULATION is ended, the battle of ARMAGEDDON fought, the JUDGMENT OF THE NATIONS accomplished, the visible SECOND COMING OF CHRIST fulfilled (Zech. 12:10; Matthew 28:31; Acts 1:11; Hebrews 9:28; Jude 14; Revelation 1:7,8), then the saints, returning to earth with Jesus Christ, will leave Paradise which is above, and rule and reign with Christ for a thousand years. Here attention must be called to the fact that the saints will then be in their glorified bodies (Philippians 3:21), in which they will not be limited to time or space, and, in these bodies, they can not be reckoned with as with those of the Adamic race who still possess mortal bodies, and have not yet, or will not, as we presume, come into the realm of the paradisiacal state; as there will be people in the time of the millennial reign of Christ who will be sent to perdition on account of sin.

This also goes to prove that Paradise is then still in the heavens, and has not as yet been returned to earth, but after the millennium, and after Satan has been cast into the lake of fire (Rev. 20:10), and after the Great White Throne Judgment (Rev. 20:12-15), then we read that John saw the New Jerusalem coming down from God out of heaven (Rev. 21:2); and after that we enter into a perfect description of the paradisiacal state which existed on earth, when man was still in his sinless state, in which God created him. We will outline here the things that are mentioned in Rev. 21:1-5, in which we can see Paradise restored to earth:

New Jerusalem is the Tabernacle of God. It comes from above and is transplanted again to earth, after the realm of all creation has been made new (reновated, Rev. 21:5). The words "NEW JERUSALEM" are without a definite article, just as "PARADISE," which proves another link of identity.

It is going to be with men, and God is going to be with them, and they shall be His people and He (God) will be their God. Here we can see the paradisiacal restoration as follows:

For over 6,000 years Paradise has not been with men; here it is restored to men.

Direct communion and communication with God has been eliminated since sin entered the world. God was veiled even in Jesus.

Here God is going to be with men for personal communion and communication.

The world as a whole now lieth in the lap of the wicked one (1 John 5:19).

Here the world as a whole is going to be God's people.

The world today worships Satan "the god of this age" (2 Cor. 4:4).

Here the world will worship the true God.

The first tears were shed when man had to leave Paradise, as there were no tear-causing circumstances in the Garden of Eden.

The last tears will be shed when man returns to New Jerusalem, where God will wipe all tears from their eyes.

Upon having to leave Paradise on earth, man was also attended with the plague of death (Gen. 3:19).

Here upon the return of man to Paradise, "there shall be no more death," for we will live forever.

When man had to leave the Garden of Eden, there was sorrow and crying, and God had to place the Cherubim with flaming sword of fire at its entrance to keep man from re-entering it (Gen. 3:24). Here sorrow and crying will be eliminated and perfect happiness and joy will be restored to man.

Pain was one of the curses pronounced upon man when he fell; especially upon the woman (Genesis (Continued on Page Five)

SEPTEMBER 2—CENTRAL BIBLE INSTITUTE DAY

The Executive Presbyteries have decided to call on all our pastors and people to make Sunday, September 2, Central Bible Institute Day in the Assemblies of God, with a view to sending up a mighty volume of prayer for this great cause, and gathering together the necessary funds for the completion of the building this fall.

Let all our pastors and leaders of assemblies announce it in the meetings and make preparation for a great Bible School service on that day. And let each one of our readers cooperate to make the offerings meet the needs of the work.

Let us all take as large a share as possible in the good work by taking upon our hearts a burden of prayer for the school, and by beginning to save and lay aside for the offering to be taken for the school in our local assemblies September 2.

Father, mother, and all the children old enough to have money to spend, can help. It will be a grand rally of our people throughout the movement. God will meet us, the project will be put across without difficulty and the results will extend to the ends of the earth and on through eternity.

As shown in the picture on the front page of the Evangel, the basement walls of the main building and west dormitory are completed, the timbers for the first floor are in, and the rough floor is laid.

The brick and tile for the two-story walls are paid for and on the ground. Nothing is being purchased until money to pay for it is in sight. The bricklayers will probably be at work by the time this number of the Evangel reaches our people. It will take about $500.00 per week to keep the job going while the walls are going up.

Now we must rally, as faithful stewards of the Lord and supporters of His cause, and gather together the money to put on the roof, enclose the building already started, and erect the East Dormitory before winter. We have reached the place where, working together, we can do large things for God. The Bible School is the very largest undertaking we have attempted. We need to complete it as soon as possible. Much will depend upon our hearts being united as we approach the supreme effort to raise the necessary funds to finish the building and furnish it. We are well assured that we shall be able, by God's help.

No better investment of surplus funds could well be made. Money put into the training of men and women for the work of the Gospel is surely money well invested. The returns are ample and immediate. It will be a matter of sacrifice for many of us to give, as we have so little; but the sacrifice will bring a sure reward.

"Oneness" in the body of Christ is the central principle of all achievement for Him in this world. The spirit of oneness which has drawn us together and caused us to cooperate in the General Council, must characterize all our young ministers and missionaries. To this end was the Central Bible Institute born.

Let us get the vision of a united Pentecost, with this great cooperative school turning its healing stream through all the home and foreign field. Then let us go in with our gifts to make the vision a reality.

Pray for the coming Council meeting. Pray that it may be a season of refreshing from the presence of the Lord. Pray that the Lord's will may be done in the choice of officers for the coming year. Pray that there may be real results in the salvation of sinners, the healing of the sick, and that many may receive the Baptism in the Holy Ghost at this meeting. After you have prayed, do your best to attend the meeting to be held in St. Louis, D. V., from September 13 to 20 inclusive. Further particulars in a later Evangel.

NEXT GENERAL COUNCIL MEETING

We desire to give a very hearty invitation to all Pentecostal saints everywhere to be with us at the General Council meeting to be held at St. Louis from September 13 to 20. The St. Louis assembly hopes to have their new building ready for this meeting.

Owing to our having had no meeting last year, we expect to have a very large representative meeting this year, our ministers coming from all parts of the States and Canada, and there will be a number of missionaries from the different foreign fields. In addition to the general business sessions, there will be special convention items every day, talks by our missionaries, and every night there will be an evangelistic meeting.

We are making application to the four leading railroad bureaus to grant special rates to delegates and visitors attending the meeting. Watch the Evangel for further announcements concerning this.

The following committees have been appointed and are asked to meet in St. Louis early September 12, and get their work well in hand to be presented promptly when the Council first opens the following day.

Committee on Roster—J. C. Wilder, 2612 W. 26th St., Ft. Worth, Texas; A. W. Korkamp, John Gochenour.

Committee on Nominations and Elections—J. Narver Gorton, 1412 E. 57th St., Cleveland, Ohio; Geo. Chambers, Harold K. Needham, E. N. Bichcy, W. J. Walthall.

Committee on Ministerial Matters and Credentials—R. J. Craig, 1336 Ellis St., San Francisco, Calif.; Hugh Cadwaller, Joseph Tunnmore.

Committee on Publishing and Literature—Fred Lohmann, 4958 Alsace Ave., St. Louis, Mo.; Hermon L. Harvey, and Stanley H. Frodsham.

All persons having resolutions to offer on any subject will please write them out in full, state the resolution, send them to the General Council, and desire the resolution to be passed, and send them to the first named person of the committee which deals with the subject matter of the resolution. The chairman of each committee is expected to present to the Council a general statement of the facts on both sides of the great and important matters that are to come from their committee.

Detailed announcements of the convention items of the General Council will be printed in a later issue of the Evangel.
Little Made Much and Much Made More

"Who quickeneth the dead, and calleth those things which be not as though they were" (Rom. 4:17).

Faith presupposes it can be, it must be, it shall be, because God says it shall be. Faith accepts and gives thanks in anticipation of the realization. "Therefore it is of faith, that it might be by grace; to the end the promise might be sure to all the seed; not to that only which is of the law, but to that also which is of the faith of Abraham; who is the father of us all" (Rom. 4:16). God raised up a man in whom He imputed faith. He was the parent stock of faith and he "is the father of us all," of all who believe. If the root be faith, the branches will have the same faith. Abraham believed God every time, and he was called the father of the faithful. And he has left us an inheritance. There is an inheritance, an inheritance due to Abraham. Faith cometh by hearing and hearing by the word of God, by hearing what God said to Abraham.

Abraham was the father of the faithful, but Jesus Christ is the author of our faith and also the finisher of our faith.

Abraham was tested when he offered his son, and he received the approbation of God for so doing. Christ was tested when He offered up Himself, and therefore received the approbation of God. Therefore God raised Him from the dead.

The faith that is Christ Jesus, imparted faith, appropriated faith, God-given faith, the gift of faith — that is the Lord's portion for His own. Without faith it is impossible to please God. Without faith it is impossible to please God. With faith it is. Abraham believed God and became the friend of God. Believe God's record of His Son and you shall become His "friends." Henceforth I call you not servants, . . . but I have called you friends" (John 15:15).

"When the Son of Man cometh, shall He find faith on the earth? It is going to be a scarce commodity in the future. You can have it now. Hast thou faith? Have it to thyself — not another man's faith — faith from God, from His Son, for yourself. (The look of faith is to the Author of faith bringing faith. Faith entitles to more faith — Christ rewarding faith with more faith. Be strong in faith, giving glory to God!" Faith is the realization, the solidifying of the word of God. Faith makes the word of God concrete — makes the immaterial, material; that which is far off, nigh. (Faith is believing God.) He spake and the worlds were created — there was realization, a materialization of the spoken word. God can do the same in the spirit life. He spake and it was done. It is done the moment He speaks. And faith accepts the result at the same time as God says it is to be. Faith leaves no room for doubt.)

The centurion said to Christ, "Speak the word only, and my servant shall be healed." For I am a man under authority, having soldiers under me: and I say to this man, Go, and he goeth; and another, Come, and he cometh." "Speak the word only, and my servant shall be healed." And he was healed before the centurion could get home. (The centurion would rather hear the word of Christ than see the result of hearing, and Christ said, "I say unto thee, I have not found so great faith, no, not in Israel." The Gentile shaming the chosen people. Those outside the kingdom teaching a lesson to those within — a lesson of dependence, of faith in God.

Communion was lost by believing Satan's lie. God has decreed that every blessing — even eternal life itself — shall depend upon believing God's truth, God's word. There is in everyone a bias, a warp, a lopsidedness towards Satan and his lie. Only the Holy Spirit can give the counteraction. We have believed through grace. Faith is of grace.

Believe God. Tell Him you believe. Tell Him you believe His Word. Tell Him you believe the words of His Son, and thus counteract the lie, the ever-present lie of the enemy, "Yea, hath God said?" The Son believed His Father and the Father says of the Son, "Hear ye Him." You want the Spirit's anointed ear to hear the Father's commendation of the Son, to hear the Son glorifying His Father. The Holy Spirit is the channel, the means, the divine plan, for linking, uniting, welding thee into the Son and the Son into thyself.

Without faith it is impossible to please Him. With faith it is possible. By His faith, through His faith, you please Him. Faith is the gift of God.

When Peter saw Christ walking upon the waves he said, "Lord, if it be Thou, bid me come unto Thee on the water — despite the waves, despite the power of gravity, despite no precedent — speak the word, and by faith I will get to Thee. The sea is no barrier, the waves no obstacle." His premises were right, but he diverted his gaze, and all the barriers began to operate.

To another, faith imparted. The gift of faith imparted. Covet earnestly the best gifts. Lust after the best gifts. Lust after the best gifts. God is never envious of the number who seek the manifestation of the gifts of the Spirit. For whomsoever the Spirit is available, to the same the gifts of the Spirit are available. The infilling of the Spirit makes possible the other.

(Exercise what faith you've got. First the blade, then the ear, and afterward the full corn in the ear. Trust God for little things, and the greater will follow. Saul was not Paul all at once.)

A WORD TO ASSEMBLIES

Be sure to arrange for your pastor to come to the Council meeting. Start a fund right away at once to help him out in expenses. He will certainly get a blessing at the meeting, and you will benefit by this when he returns with a new quickening and courage to press the battle for the Lord.

PARADISE LOST AND RESTORED

(Continued from Page Three)

3:16 — In "pain" (Hebrew) shalt thou bring forth children. Here there will be no more pain. "Neither shall there be any more pain."

As the result of the fall of man, many unwelcome and uncomfortable things came on the human race. Here, all these former things are going to pass away, and God will make all things new.

There will be the great crowning day of the restoration to primal conditions of all things. Then will the final victory song be sung, when God shall be all in all (1 Cor. 3:23; 11:3; 15:24-28), and all shall be to His honor and glory.
THE PRESENT-DAY OUTPOURING OF THE HOLY SPIRIT PREDICTED PRIOR TO 1896

Black Moses was a deacon in a colored church in Boston. He used the office so well, and gained for himself such a good degree that by general consent he was regarded as a pillar and stay among his brethren.

"It was on the sixth day of October, 1853," he testified, "at three o'clock in the morning, in a small cornfield in old Virginia, that the Lord spoke peace to my soul. You see, I had been a-mournin' for weeks, yet all de while more or less confidential in myself, and settin' store by de heals ob good works and prayers and repentin' I'se done.

"But at last dese deceitful refuges began to gib 'way, and de foundations ob de great deep broke up in my soul, and for three days and nights I could neither eat nor drink nor sleep, a-mournin' and a-wailin' for my sins. At last, nigh sunrise in de third day, out in de corn-field, I sez, 'Lord, You must save dis despairin' sinner or he'll die. I know I'se wicked and vile and rebellious, but den You're all-merciful and forgivin'. Dat's Your reputation. Lord, and I begs You for de sake of Your great name to show mercy and not judgment.'

"And so I cried and pleaded dere on de ground. Den de Lord 'peared to me in de visions ob de mornin' and reached out His hand to me; but He didn't reach it out to be flattways as though He had any bread ob life to gib to my hungry heart. Time hadn't come yet for dat. But He reached out His hand edge-down, and if dat hand had been a sharp, two-edged sword it couldn't cut me quicker'n a bee. I know I'se wicked and vile and rebellious, but den You're all-merciful and forgivin'. Dat's Your reputation. Lord, and I begs You for de sake of Your great name to show mercy and not judgment.'

"I never dreamed what a heap ob blackness dere was in dat heart till dat mornin'. But just den I heerd a mighty noise, which made me tremble from head to foot, and I sez, 'Lord, what's dat rumblin'? And He sez, 'Dat's your sins a-fallin' into hell.' Den, quicker'n I can tell, He reached out His hand ag'in, so kinder soft and tender, and closed me up, and didn't leave a rent or a scar or a sore place in my heart, and He sez to me, 'Son, dy sins, which is many, is forgivin' dere.'

"Den I knowed I'se been ag'in; dat old things was passed away, and all things had become new. Happyed was I? From de risin' ob de sun to de goin' down ob de same that day, it 'peared like I was in heaven, a-standin' on de sea ob glass, wid de harp ob God in my hand, and golden slippers on my feet, singin' de song ob Moses and de Lamb.

"From dat day I'se been surer I'se borned ag'in dan I am dat I was borned de first time; for I can't nowise remember my first birth, but de second I'll remember it all eternity, and never cease to praise de Lamb dat redeemed me.

"Dat's my experience. Some folks don't believe it, but I knows it, for It's what I'se tasted and seen.'"

"Don't you think, Moses," I asked, "that the devil works harder to lead Christians astray than he does to destroy the people of the world?"

"Don't I thinks? I knows it, sah. Why d'ye s'pose I works and tugs and sweats beatin' dese carpets and doin' dese chores? 'Taint de dollar dat's in my pocket dat I'se workin' for; I'se got dat already. It's de dollars dat's in my employer's pocket dat I'se workin' for. So if de Lord has a real, shure 'nuff saint—one dat's plain stamped wid de image and s'cription ob de King, and shines like a new silver dollar—de debil, he'll rise up early and sit up late to get hold ob dat one. But your 'bandoned sinners and your high-steppin' ones, dat's alll taken up wid deir moralisms and self-righteousness, he don't trouble himsef 'bout; he knows he's got dem already."

Here our report of the sidewalk discussion might properly end, but it would be an injustice to Moses to leave the impression that he is only a sour and censorious critic, who takes satisfaction in pointing out the faults of Christians. On the contrary with an in-describable pathos and tenderness, he thus concluded his talk:

"Well, brudder, I'se prayin' 'bout it night and day. It's 'cause de Lord's children don't think, dat dey does so. You remember how He sez, 'My people don't consider.' Well, I'se been on de way now nigh on to forty years, and it's been my 'sperience dat a day's considerin's worth mor'n a year's workin'; 'cause when we takes a day for considerin' now and den, we gets 'quantedit wid de Lord, and finds out His secrets, and de Lord tells us jus' what He's doin' and what He's a-goin' to do. And, brudder, He tells me in my soul I'se goin' to see a great outpourin' ob de Spirit afore I dies. Den when Christians get deir tongues off, as dey did on de day ob Pentecost, how our dross will he burned up, and what a cracklin' dere will be in de hay, wood, and stubble we've been building into our churches dese days! But, brudder, 'twon't come easy. We'se got to get low before de Lord, and be ob one 'cord and in one place. Trouble is now dat ebery one's ob a different 'cord; one wants one thing, and 'nother wants 'nother. But when we get where we all wants de same thing, so we's satisfied to lie all our days on a crust ob bread if we can only hab de Lord and de fullness ob His Sperit, den he'll come down like rain on de mown grass; and dat day's a-comin', brudder!"—Life of A. J. Gordon.

(Balaam in the Old Testament and Judas Iscariot in the New Testament are the great demonstrations of a fact that we should not be ignorant of, that being used of the Lord, even in a supernatural way, is no proof positive that either the heart or the life is right.)

(For we know in PART, and we prophesy in part) (1 Cor. 13:9). Even supernatural knowledge is given to us in limited measure, according to the wisdom and prudence of God (Eph. 1:8); so that we may not be sufficient in ourselves unto ourselves, but are ever dependent upon other members of the body.)

Have you friends who you think would like to subscribe for the Evangel if they saw two or three copies. If you have, would you kindly send us their names and addresses. We will send them samples of the next three papers, one of which will be a special Pentecostal number. We shall greatly appreciate your sending us these names and addresses.

August is the slackest month in the year with us and so we shall greatly appreciate all new subscriptions and renewals that we can get during the month of August. Do your best to get your friends to subscribe for the paper. The Evangel at $1.00 per year for 50 numbers is surely one of the cheapest religious papers in the whole wide world.
ETERNAL PUNISHMENT

"The denial of hell is the most dangerous because the most attractive form of modern infidelity."

1. The certainty of future punishment.

Nowhere is the certainty of future punishment shown more clearly than in the words of the Lord Jesus Christ, the Son of God, Himself.

"Whosoever shall say, Thou fool, shall be in danger of hell fire" (Matt. 5:22).

"But the children of the kingdom shall be cast out into outer darkness: there shall be weeping and gnashing of teeth" (Matt. 8:12).

"And shall cast them into a furnace of fire: there shall be weeping and gnashing of teeth" (Matt. 13:42).

"Marvel not at this: for the hour is coming in which all that are in the graves shall hear His voice, and shall come forth; they that have done good, unto the resurrection of life: and they that have done evil, unto the resurrection of damnation"—or condemnation (John 5:28, 29).

Life means union. Death means separation. The union of spirit and body constitutes natural life. (The union of the spirit with God brings eternal life.) Separation from God brings natural death. Separation from God brings spiritual death. (If you have no second birth, it will mean that surely you will have the second death, namely, the lake of fire.) (Rev. 20:15). If you are born only once, you will be "twice dead." If you are born twice, death is forever past, for God reckons that you have died with Christ.

2. The character of future punishment.

There shall be weeping (or wailing) and gnashing of teeth.

The fire that never shall be quenched. This is stated five times (Mark 9:43, 44, 45, 46, 48).

Where their worm dieth not. Three times mentioned (Mark 9:44, 46, 48).

3. The continuity of future punishment.

"And these shall go away into everlasting punishment: but the righteous into life eternal" (Matt. 25:46).

Exactly the same word in the Greek is translated 'everlasting, eternal' place and 'eternal' in the other. The punishment to the wicked will last as long as the bliss of the righteous. This same word "eternal" is used four times of hell, fifteen times of the eternal life of the righteous, and twice of God. The punishment of the wicked will be as long as the bliss of the righteous, and as long as the life of God. And this life of God will never end.

"Whither I go, ye cannot come" (John 8:21).

What we are here for ever. "He that is unjust, let him be unjust still; and he which is filthy, let him be filthy still: and he that is righteous, let him be righteous still: and he that is holy, let him be holy still" (Rev. 22:11). "If a man chooses to be ruled by sin, he must inevitably be ruined by it." (Rev. 22:11). "Besides all this, between us and you there is a great gulf fixed: so that they which would pass from hence to you cannot; neither can they pass to us, that would come from thence" (Luke 16:26).

4. The cause of future punishment.

The principal cause is unbelief, sin, the rejection of Christ.

"And when He (the Comforter) is come, He will reprove (convict) the world of sin ... of sin, because they believe not on Me" (John 16:7, 8).

"The wicked shall be cast into hell, and all the nations that forget God" (Psalm 9:17).

We are about to bring out a tract entitled "Is Hell Eternal?" This has been admirably written by Brother Max Wood Moorhead to combat the serious error that denies the nature and continuity of everlasting punishment. This tract will shortly be ready for mailing. The price of the same is 3 cents per copy or 15 cents per dozen, postpaid.
HEALED OF NERVOUS TROUBLE

About two years ago I had a nervous breakdown. It proved to be a process of refining, of purging out self and all confidence in the flesh, of humbling so that the Lord could speak and make known whether He would have me to do. I felt like David expresses himself in Psalms 38, that the Lord had forsaken, and all hope was gone—for what reason I did not know. I was on my knees, with hands open to Psalm 38. I told the Lord that that expressed my case exactly. Why it was so I found out afterward. It was all for a glorious purpose. As I walked out toward the barn I began to sing, "The Lord is my refuge from the storms of this world. He is my strength in the day of battle."

Our baby was born with a goiter, but when the baby was four weeks old Brother and Sister Lewis prayed for it and the goiter was instantly removed. How we praise the Lord again for helping our baby. Dear Divine Jesus, You will help me too in sickness and trouble if only You trust Him. Yours with Christian love, Mrs. Hazel Fenstermaker, 1021 Andrew St., Massillon, Ohio.

EYES HEALED

First I want to praise the Lord for salvation and the Baptism in the Holy Spirit and fire, and for healing and guiding me in the ways of truth. I had something to do with being able to receive the Holy Ghost. I could hardly see, and the Lord healed them and they are well now. Praise His name forever.—W. M. Powell, Frankston, Texas.

HEALED OF GOITER

We come to return thanks for the healing of a goiter. In answer to prayer the Lord touched and healed our daughter of this trouble. Praise be to His name. He has healed us many times when no other physician could have reached our case. "Jesus Himself drew near," and we intend to trust all the way.—Ines H. Heath, Childress, Texas.

BROKEN BONE SET AND HEALED BY GOD

April 22, 1923, my little seven-year-old daughter was struck by an automobile, and the large bone of the right limb was fractured. Calling in two of God's saints who had been doctors before they came to the Lord, they cast a spell over the bone and removed it, and I was delivered from pain. The bone was not set at that time. I began fasting and praying. During the two days of the fast the Lord showed me that the bone was broken. My husband, Ralph W. Burnett, 1900 Lawrence St., Denver, Colo., was instantly healed. Praise Him! He was delivered from pain and suffering. I would pray for a revival. Also pray that the Lord will use me to others. I would pray for the Lord to clearly show me that I am His.
THE SOUTHERN CALIFORNIA BIBLE SCHOOL

The Southern California Bible School, after a most successful school year, held its commencement exercises recently in Litchfield Temple. It was a happy coincidence that our beloved Brother D. W. Kerr, who had come to the coast on the other side over the District Council, could be present at the Commencement and also preach the baccalaureate sermon. Since Brother and Sister Kerr had been instrumental in helping Brother Needham in organizing the school and had spent two years as teachers, it was a time of glad reunions. During the past year the school course of study has passed through a transitional period, in which the former two-year course has been prolonged into that of three years. This being the case it made the graduating class small in numbers, while the fifteen who would have finished, are now prospective graduates for next year's class on a three years basis. This gives them one more year of study and preparation and spiritual training for their life work and ministry. The Southern California Bible School is most fortunate in having an exceptional corps of well trained, well equipped teachers on the faculty. A report of victory and God's rich blessing comes from GL, who have attended or visited the school this past year. Not only is there a high standard of scholarship and study, but a beautiful spiritual atmosphere thoroughly Pentecostal, which speaks of consecration and a sense of God's manifested presence.

Brother H. K. Needham as Principal has been helped by the usual group of teachers with the addition this year of Elder John W. Follette, later of the Rochester Bible Training School, Mrs. Elizabeth Farmer of the First Baptist Church, San Jose, where she was pastor's assistant to Dr. Wm. W. Towner, and Miss Marion M. Wood of Nyack School, N. Y. One very popular feature of the school year has been Brother Follette's Monday night lecture. Starting with simply a class of students who desired extra help in the study of Bible Doctrine, it grew into a course of lectures so helpful, so deeply spiritual, so practical, so inspiring, that the people began to come until it was a problem where to seat them and born, to take care of the hungry people; hungry for the truths of God's wonderful Word. Surely the crying need is for a new building in which the students can be properly housed and cared for and the course of study carried on under more favorable conditions. The Holy Spirit is inspiring large numbers of intelligent, consecrated, Spirit-filled young people to a study of His Word in order that they may give out to others.

The writer has been fortunate in having visited this past year Elim at Rochester, N. Y., and later the Springfield General Council School while it was in session; then the Northern California District Council School under Brother Robt. Craig's Assembly; and then our own So. Calif. Bible School. Which one is the best? O, they are all so good! Which one do we not need? We need them all and many more. Which school needs new buildings most? Every one needs new buildings and better equipment for larger service. Where is the money to come from? "For every beast of the forest is Mine, and the cattle upon a thousand hills... If I were hungry I would not tell thee: For the world is Mine, and the fulness thereof." But where is the money to come from? God's people are to pray it down. "The silver is Mine and the gold is Mine, saith the Lord of Hosts." God's people have the money. O, that we had a new vision, a deeper revelation, a broader outlook. A whole army of well equipped, sane, Spirit-filled young men and women who have a good working knowledge of His wonderful Word, to follow Him, to witness and labour in some base, and send out missionaries to the field supported by the home assemblies. The time is short.

O, that God's people would get a larger, deeper, broader view of their high calling in Christ Jesus! A whole world lying in sin and wickedness. And we know there is power in the name of Jesus to save, and heal, and sanctify, and cleanse from all sin. We know there is a supernatural birth, a new life, a new nature, a new heaven and a new earth, through the supernatural power of the Holy Spirit. We must tell it out under the anointing and quickening power of the Spirit of God and see the signs following that will convince a lost world that the Lord Jesus is the same yesterday, today, and forever. Praise His name!

—V. B. Baer, So. Pasadena, Cali.

WATSONVILLE, CAL.—Praise the dear Lord for His wonderful goodness and mercy to the children of men. After much prayer and waiting on the Lord, we arranged a revival campaign with Evangelist J. S. McConnell, and surely the Lord did bless from the very first service. Brother McConnell formed a chain of prayer 24 hours long. The Lord surely answered prayer, gave great liberty in preaching the Word, and mingled in with signs and wonders. We lost track of how many were saved. Many came to the altar, and then we would not see them again; but the prayer room was filled and running over and the glory of God would sweep down upon the people until the priests could not stand to minister and the slain of the Lord would be many. Sixty-one received the Baptist in the Holy Spirit and singing in 2:4. I baptized 57 in water according to the command of our Lord Jesus in Matthew 28:19. C. B. Cannon, better known as "Song-Song Cannon," was much used of God in leading the singing for us. He put plenty of life into the singing. Several fine healings took place during the meetings, among them a woman suffering terribly with a cancer of the stomach. She was prayed for and healed instantly. The power of God fell like rain and she said, "Why, it's gone!" The results from this meeting are far greater than from any meetings that was ever held in Watsonville. We are expecting to put on another meeting in August with Evangelist S. Swanson of San Diego and we are expecting great things, as we have a great Gospel of a GREAT SAVIOUR. Hallelujah to the Lamb.歪和we are just filling in here while Brother W. C. Helms is over at Lodi building a new Tabernacle to house the Lodi Gospel Team. We have a fine Gospel team here and we go all around the small towns and tell them the story of Jesus. We will be open for other calls in a short time, or as soon as Brother Helms gets back, which will be in about three months, so he tells us. Beloved, pray for us that the Lord will have His way and that we may know His voice and obey His will—Pastor M. T. Draper and wife.

GENERAL COUNCIL MEETING

Make arrangements ahead to be with us at Council. Note date, Sept. 13 to 20, and place, St. Louis Mo. Full announcements later.

CHANGE OF ADDRESS.—I am now in evangelistic work and my headquarters will be Chelsea, Ark., Box 55.—Ernest M. Adams.
REPORTS FROM THE FIELD

LUTIE, OKLA.—We are expecting to have a meeting here shortly if it is God's will. This is a hard place. So please pray for us that God will send a Spirit-filled messenger with the real Bible signs.—J. H. Summiller.

YOAKUM, TEXAS.—Just closed a 30-day meeting at this place. Brother and Sister Hale, of Austin, had charge of the preaching. The meeting was a wonderful success.—12 saved, 12 received the Baptism, and 3 restored. Pray for us.—Mrs. R. J. Burleigh.

WORCESTER, MASS.—I have much to praise the Lord for, for what He is doing here. Hearts are being touched, souls are coming to the Lord, and believers have received the Baptism in the Holy Spirit, and our hearts have been anointed. All glory be to the Lord Jesus. —M. Tan Ditter, pastor.

BOURBON, MO.—The Lord has given us a mission in town. Last night, our first Sunday evening service, the house was almost full. Pray for us that we may grow and that souls may be given us. My boy has completely recovered. Praise God, and we are all happy and trusting in the Lord.—Mrs. Pearl Hoeker.

CORBIN, KY.—We are in a revival here. Interest is good. Seventeen were at the altar last night, one received the Baptism. All the Evangel family please pray that God will give us a real Pentecostal revival. I am open for calls for revival meetings in Tennessee, Kentucky, Virginia, and North Carolina.—J. A. Wells, evangelist, and wife.

VERNON, ALA.—Evangelist Williams and wife have recently held a week of street meetings here. The Lord surely did bless him in giving out the Word. Many heard and were convinced of the truth. I hope that the Lord will send them back to finish the good work they have begun. This is a needy field. Pray that the Lord will establish a good work here. Pray for me and my husband, that we will stand true to the Lord and that he may be healed of kidney trouble.—Anduda Strawbridge.

PUEBLO, COLO.—The Lord has blessed since we took the pastorate here. Six have received the Holy Spirit, one young man has been saved, and several have been reclaimed. The meetings are getting better all the time. Our young people's meetings are fine. They have begun an active campaign of opening up new fields in the country. On Sunday afternoons we go with them and assist. During the week we go to other new places. At one of these we expect to baptize seven on our next trip. Pray for us and for the work here.—N. R. Nichols, pastor.

MALVERN, ARK.—The last two weeks in June I conducted a meeting with the North Little Rock assembly. The Lord was present and blessed us in giving out the Word. Six received the Baptism according to Acts 2:4, and the assembly was strengthened and built up. Sister Della Cook, of Malvern, was with me and rendered valuable service.—H. B. Laws.

CEMENT, OKLA.—Just closed an 8-week meeting here. Between 75 and 100 were saved, 30 to 60 received the Holy Spirit, and 58 were baptized in water. Sister Ethel Musick was one of the most of the preaching, which God blessed. Dear saints, pray very much for these saints, also for me that God may use me in feeding them and in keeping the well away.—Roy Steger, pastor.

VERDEN, OKLA.—Just closed a 5-week meeting, assisted by Brothers Rawle and Steadman and their wives. Sister Rawle did some excellent preaching. Several were saved and reclaimed, 12 received the Baptism according to Acts 2:4, several were healed, 5 were baptized in water, and we are rejoicing over the prospects of greater victories in this new field as the work goes on.—J. L. Burns.

OTTAWA, KANS.—Our revival has been in progress two weeks with Brothers H. D. Stanley, of Topeka, Kan., and Sister Folk, of Kansas City. We have been under God's blessing. Several have been healed. Evang. A. J. Covington, of Burns, Kan., will be with us in a few days and remain until the close of our revival. Many are under conviction, and saints are seeking the Baptism. The Lord has given us a field, and given us a greater determination to go on in His service until He returns.—R. F. Ashworth.

DES ARC, MO.—Evangelist W. G. Workman has been in a revival meeting at this place about five months. It has taken much love and wisdom on the part of Brother Workman and his co-worker, Elder Homer G. Wilson, to accomplish the victory that has been won at that place. We set the assembly in order there on Sunday night with 48 Charter members. The power of God surely came down on Sunday at the 11 o'clock service. I love to see a man stay with his work like Brother Workman has done, until the church is set in order, and a house to worship in is built. There is a good church house right up in town and it is well seated. The work is complete in every way. Brother Workman worked with his hands on the church house to get it ready and up in good shape. There is a Nazarene Holiness College at Des Arc, and a number of those Holiness people got light on the Baptism in the Holy Spirit, and have received the experience.—J. E. Spence, Kennett, Mo.

GRASSY, MO.—We had all-day services with dinner on the ground July 4. There was a grove meeting. Evangelist G. S. Virgin setting forth the gospel in the light of God's Word. This is a new place, with a small bunch of saints. We are forcing the Evangel, trying to pray for us, and for the writer that he may be endowed with power from on high (baptized in the Spirit).—John E. Cooper, Glen Allen, Mo.

CADDWELL, TEX.—We are in the midst of a great revival here in Burleson county, four miles out from Caldwell, with Pastor W. A. Mercer and assembly. Last night the house could not accommodate half of the folks. Fifty-three cars were parked outside, and 20 buggies and wagons. Folks came fifteen and twenty miles. One Baptist minister came twenty miles. Brother and Sister Damison and Sister Lack, from Houston, Texas, were with us. The best of interest is being manifested. We are expecting great things to be accomplished in this meeting. Pray for us.—Evang. A. F. Gardiner.

CANAAN CENTER, N. H.—Times of refreshing have been in our midst. Special revival services were held from June 17 to July 1. Brother and Sister Stanley and Sister Cooke of Martinsburg, W. Va. were with us as workers. They are in full connection with the General Council. Burning messages, every one backed by the Holy Spirit, were prayed for in the evening for the sinner, the backslider, the sick ones and those seeking the Baptism as in Acts 2:4. Some were healed, some received the Holy Spirit as on the day of Pentecost, and some were reclaimed, and conviction was on hearts. We thank God for sending Brother and Sister Cooke this way. We are looking for "bubbles upon the dry ground" before Jesus comes. Glory be to His name.—One of the assembly members.

MEDINA, OHIO.—A year-and-a-half ago, a small band of men and women came together in a Bible class and went to Canton, Ohio to the McPherson meetings, and came back filled with what they saw. They wished and prayed for a campaign of the same kind in Medina. While Mr. and Mrs. W. C. Penrice were at Spencer last winter, this band visited them and urged them to come to Medina. They finally consented, and, after much consultation and prayer, it was decided to build a tabernacle. A building 60 by 20 feet, capable of seating 800 people, has been completed and the campaign opened Sunday, July 8. Three sides of the structure are open, but with canvas curtains provided in case of inclement weather. There is a large room on each side of the platform, one of which is used as a prayer room. The tired and sick are invited to come to this prayer room to be prayed for. Some one is to be at the tabernacle all day. The tabernacle is situated at the corner of West Washington and Huntington Streets. Brother R. R. Postekew, of Los Angeles, Calif., is assisting in the campaign.—Culled from a newspaper clipping.
THE PENTECOSTAL EVANGEL

DRUMRIGHT, OKLA.—We began a meeting here April 15. God gave us a wonderful victory in receiving the Baptism in the Holy Spirit according to Acts 2:4. Interest has been gradually increasing. We organized a Sunday school and have an attendance of 60 to 90. On June 12, Brother Ernest Adams and wife, who had given us a full week of revival effort, with good results, 2 receiving the Baptism and between 10 and 15 claiming conversion. Brother Adams left last night. Glory to God for what He did so. I have lived in this neighborhood for 37 years, and have never seen the people so stirred up. They went to reading their Bibles to see if what the preacher preached was in their Methodist and Baptist Bibles. Seven were converted, two reconverted, and four received the Baptism in the Holy Spirit. I think that the only mistake that the preacher made was that he did not stay long enough. Praise God. The good work is still going on. We have a good prayer meeting. It meets Wednesday and Saturday nights. Of course the devil fought, and some of the chronic grumblers were busy, but we paid no attention to them. Sisters Carraway and Henn were great helpers in the meeting. May God’s richest blessing rest on them wherever they go.—Dora Nix.

July 28, 1923

EATON, OHIO.—Had a wonderful camp meeting from June 3 to June 17. Brother Watt Walker, the Indiana evangelist, was here all the time and preached some wonderfully helpful sermons. A number were converted and a large number received the Baptism in the Holy Spirit. Brother Soules of Byesville was there the whole time and rendered great service. He is to preach in Eaton the 2nd and 4th Sundays of each month. Sister Marguerite Flint, missionary from Indiana, was with us and gave many interesting and helpful talks. Much prejudice against Pentecost was broken up. The success of the meeting was due largely to Brothers E. O. Lockwood and James Marsh, who gave all their time and largely of their means. Eaton has a real live mission, which is going on to greater things. Brother Soules was there last Sunday and baptized a dozen converts.—F. L. Houghthy, Camden, Ohio.

ENDICOTT, N. Y.—The presence of the Lord is very manifest in our tent meetings, with Mrs. Mae Eleanor Frey as evangelist. From the beginning in every service the Holy Spirit was in evidence either in saving, in healing, or in baptizing in the Holy Spirit. The meetings are so free from strain or human effort. The dear Lord is taking charge of the work in every detail and is carrying it on to His glory. A number have come to distances to get their vessels filled and to return. The wife of a Baptist minister living about 200 miles away came and received the Holy Spirit according to Acts 2:4 and returned to spread the fire. Yesterday, July 4, was a wonderful day; the saints, drawn by the Spirit came from Elmira, Bath, O. wego, Wilkes Barre, Binghamton, and other points, to enjoy the feast with us. They surely were not disappointed, for the power of God was so manifest, in the afternoon service especially, that in the midst of the meeting the people were swept off their seats to lie prostrate in the straw. The slain of the Lord were many. The meetings were advertised only to July 15, when our Sister Mrs. Byerly announced her work timed as the dear Lord shall lead, with other workers in charge.—Ivan Spence, pastor.
WORK IN SYRIA

Miss Yumna G. Malick writes from Syria: "It will give you joy to know the Lord has been walking among the young men recently in a special way. Quite a few have been blessed and some saved. I had been a little troubled about a young man who was saved for quite some time but never testified to the fact in public meetings. He had no courage and no grammatical language; always shy and sorry for lost opportunities. One day at the altar service the Lord opened his mouth and for the first time in his life he prayed, out loud before others, and was never slack to give his testimony after this. The Spirit was working. A young woman backslider was reclaimed and poured out her heart in prayer. There was a general melting down before the Lord. The following Sunday two young men decided for the Lord, and the next meeting four others were saved. Two of them don’t know how to read. There are others also that cannot read so they are begging me to start a night school for them, as they have to work during the day. This means more work and responsibility for me which I do mind when I am assured of the Lord’s will. But I do not have any saved men who are free to teach, and I don’t want to put young women to the task, lest the enemy take an occasion to spoil the work.

"The work among children is very encouraging. Some of them walk a mile to come to Sunday school with their offering of a penny held tightly in their hand. They are learning to give no matter how little. Praise God. They also like to learn scripture by heart, and to hear about the love of Jesus. They are delighting in little pictures which some kind friends from America usually send them. We have over 90 on the roll (not regular attendants), and the number is increasing. The Lord wants them all saved so do not forget to pray for them please.

"Visiting the homes, and conducting cottage meetings is very interesting work. For the last few weeks, I have left this work mostly to my two native helpers (Bible women) as I was not well in body, and having a great deal to do. They often come home after visits rejoicing and feeling much like a couple of the seventy of old whom our Lord sent out to preach the gospel. Good numbers listen to the Word of life with interest. A Mohammadan woman invited them to have a prayer meeting in her house the next time they come over. Praise God.

"I have already resumed village work, as the weather has become favorable. It is a very needy cause, and the standing invitation is, ‘Come over and help us.’ You will be glad to know, the Lord is hearing the cry of the helpless and the prayers of the saints. Three weeks ago a woman came to me from one of the shut-in villages. Before leaving her home she asked the Lord to direct her steps where she should go. ‘Go to Shweifat,’ said a voice in her heart, and she did, and was led to come to me. She told me of the great need of her village and pleaded with tears for help. ‘My people do not know God,’ said she, ‘and our children are running wild. What schools we have here are not able to change them. I will offer my house for prayer meetings and a school room if you will come.’ Of course this meant I would have to provide a teacher for the Lord’s workers and other expenses connected with the school. After prayer and consideration, I would not close a door the Lord had opened; for was this opportunity not a call to obeying our Lord’s command? ‘Go ye into all the world and preach the Gospel to every creature.’ A consecrated teacher was provided and school began with ten children. Now we have 28 and they are still coming. We had a prayer meeting over there last Saturday, with an attendance of forty besides the school children. The gospel message was gladly received, and an invitation to come again was very urgent. This indeed was encouraging, for we had had warning not to go there if we were to preach the gospel, lest we be turned out of the village. To hear the school children already repeat some scripture by heart, gave me joy more than I can tell you. Glory to God.

"I have been invited to visit another village tomorrow. May our first prayer meeting there. I usually take along with me some of the young converts to train for the work. They are also a help in their testimonies and singing. If I were to visit another village a day or two later I would take me three more years to go around. Please pray that I may be kept under the anointing and power of the Holy Spirit, and become stronger in holy service."

(Miss) Y. G. Malick.

SOULS BEING SAVED IN HONG KONG, CHINA

Brother and Sister David A. Barth write from China: "We are glad to report good meetings in which God’s power is working. Souls are being saved and believers baptized in the Holy Spirit. There are also many hungry souls seeking the Baptism, and we covet your prayers for these and for those who come to hear, that they may have real conviction for sin.

"Things in the country are very unsettled. These are times when we know not what day may bring forth, but we watch for the coming of Jesus. Pray for us."

NEW RECRUITS FOR INDIA

Miss Edith Dutton, matron of the Bethel Bible Training School, Newark, N. J. for the past five years, has been accepted by the Foreign Mission Committee of the Assemblies of God for work in India. She expects to sail in the early Fall and is looking forward to joining the Aston sisters at Bara Banki.

Miss Margaret Felch and Miss Laura Green both of whom have been on furlough for some years, are now settling their faces toward India and expect to sail in the early Fall. May the Lord’s blessing accompany these precious missionaries.

Brother J. E. Varonaeci, Odessa, Russia writes: "God has wonderfully blessed and saved souls, and also baptized many in the Holy Spirit. In Ukraine there are about six hundred souls that are baptized in the Holy Spirit and about six hundred who are seeking for the fulness of the Holy Spirit. There are about forty villages and cities here where the children of God are baptized in the Spirit. "The Lord has opened up a good work here in which He has wonderfully manifested Himself. Hallelujah! Our assemblies are in great need of Russian Bibles and New Testaments. In some villages there are no Bibles or Gospels "to be found, and many souls live without the Word of God for in Russia we cannot get the Holy Scriptures. Some villages truly have a famine as the Lord said in Amos 8:11, 12.

"Two weeks ago I baptized in water, according to Matt. 28: 19, 20, forty souls in our district, and we also have about one hundred and fifty candidates."

SOME FRUIT AT GONDA AND MANKAPUR

Brother Walter H. Clifford writes from India, "The first Sunday in this month we were held entirely by the Lord. Among the Anglo-Indians at Gonda, and at the close we gave an altar call. One woman, a Roman Catholic, responded and gave her heart to the Lord. She is going on nicely with the Lord. She is getting fruit to Himself as a result of the meetings held in Gonda and Mankapur, this being the third definite conversion. She is one of the others who are seeking to know Him whom to know is life eternal, although they have not yet made open confession.

"We have been able to secure a couple of workers since I last wrote and we trust that they may prove satisfactory in the work of winning souls. One of our greatest needs in India is a Bible School where our young men can be trained along Pentecostal lines for the great work of preaching the Gospel. At present it is often necessary to take men who have been trained along entirely different lines, and sometimes we find our sorrow that they have no desire for the deeper things. Some may say that the missionaries ought to train them themselves. We do, as far as possible, but the majority of us have so much on our hands that it is well nigh impossible to do justice to the subject."
TIBETAN PRIESTS CHANT Hallelujah Chorus TUNE

Brother V. G. Plymire, who has been touring among the monasteries on the Tibetan border writes, "I have just returned from a trip among the nomads in Koko-nor basin. I stopped at two monasteries. The first one offered no difficulty and we received fine treatment. The priests received our literature and seemed glad to have us stop there. There were about one hundred and fifty in this monastery.

"The second monastery was one of tents only. There are no buildings in this section—all the natives live in tents. This monastery was very interesting. It is located high above the lake (Koko-nor) in a small nook. Some of the tents are of the Mongolian type and some of the Tibetan type. The large chanting tent was Tibetan style, and was about twenty by thirty feet square. The Mongolian tents are round.

"When we reached this monastery the priests would have nothing to do with us. After quite some time I was able to locate their chief lama and I explained matters to him and assured him that we had come to do him good and that we were not thieves. After a time he gave permission for us to remain and he had his own tent pitched for our use. The snow made it difficult for us to slide our tent where we could pitch our small tent and have a place on the ground for our blankets. I was finally invited into his tent to help eat the food I had provided and to about Augst or a little meat. Here we gave them the Gospel and left with them some good gospel literature.

"Here, too, I heard a very remarkable thing—indeed. Very early in the morning I heard a very attractive sound and left my tent to find out what it was, as it was not very loud. To my surprise I found these Tibetan priests chanting in the exact tones of what we call the hallelujah chorus. One of the things that I was told was that we hear at home that the ordinary every-day person, and unsaved especially, could not have told the difference. But the Lord has given wisdom along this line and we can easily tell Him from the enemy. Oh how it does behoove us to keep close to the Master.

"We had intended to go much farther, but there was no grass for my horses, and as my bean supply was running low my horses began to show signs of weakness. So I was compelled to return home. Now I plan to go again as soon as the new grass comes up. The season here is short and cold. It has been a very hard winter here as we could not get proper food supplies. I was out looking for potatoes, traveled far, and after about three hours of looking and hunting we got a few bushels. It is only a few weeks now that we have been getting new vegetables. Up to this time we had none at all, then what we did eat was garlic which was carried here from a distance and was very high in price. But we certainly did pitch in on this and we enjoyed it so much.

"From just before native New Year up to the middle of July the time we have crowds of Tibetans here from distant places. The Lhasa traders arrive just after New Year and remain until about July when they return to Lhasa again. Then we have the many nomads and other Tibetans come here for their food supplies. We have had crowds in our room and a daily stream of Tibetans. We try to give the Gospel to every one before they leave our place. We have also given out a large supply of gospels and gospel literature. For several months there have been visiting us several Tibetans, including an old priest from the interior. These have been very friendly and have repeatedly asked me to go with them when they return home, and have assured me that I would be safe. I certainly would go if we had the money as it would give me a wonderful opportunity to reach many more in this far interior district. But we do not have the money for such travelling and therefore cannot go. There are times when our hearts pain us as we see the great need—the open door—and then are not able to enter in. Oh will you not stand with us in much prayer for this neglected land?"

SOUND OF ABUNDANCE OF RAIN IN PERU

Brother Paul Cragin writes from Caraz, Peru. "The work of the Lord in Ancash is advancing. We rejoiced to see a brother, who was saved while we were yet in Yungay, come from his home in a province some sixty miles afoot, bringing two natives who could scarcely speak Spanish. We talked to them about their souls, and the same afternoon they gave their hearts to God and were baptized in water the next day. We understood that many believe on the Lord Jesus just through this one brother. The work in that province seems to be going on of itself, and there are very anxious times for a missionary to be sent to them, to the extent that they are willing to help on their support. I will try to visit them the next dry season, if the Lord tarries, and take some native brethren who will be able to preach to them in Quichua, the language almost exclusively spoken."

THE WRECKED BUNGALOW AT SISWA BAZAR

The Mission Station in India to which Brother and Sister Boyce will return this fall.

THE WRECKED MISSION AT SISWA BAZAR

Brother J. L. Boyce and Brother L. M. Jacobs have both written us concerning the wrecked mission station at Siswa Bazar, India. When Brother and Sister Boyce came home on furlough, Brother Jacobs was a heart in chart of the work. The mission station occupied a rented building and Brother Jacobs persuaded the landlord to add another room in order to make it more convenient. Unfortunately the room was built of sun dried brick, and when the rains came, the building collapsed damaging the remaining good rooms and making them unfit to live in.

Brother Jacobs has removed to Gorakhpur and opened up a new station there. When Brother Boyce returns to India this Fall he will be welcomed by this new building.

Undoubtedly there should be a new building to accommodate the large work under Brother Boyce's supervision. Brother and Sister Boyce have an excellent work and God's blessing has rested upon it. In order that they have the proper quarters on their own ground, including a mission house, houses for native preachers, etc. they will need about $5,000.00. But this is a small matter with the Lord and God is able. As the Lord provides the means for the continuation of the work, the property will be held for perpetual work for God, until Jesus comes.

A TRIP IN THE INTERIOR

Mrs. H. J. Mader writes from China. "We are leaving Shanghai in about three weeks for Brother Slager's. We expect to locate near Chechowfu in the Fall. There is a village about 80 li from Chechowfu called Lung-chi of about 15,000 or more people with no Gospel light. The place is on our hearts, but before we can live there we must have a house fixed up for us. These Chinese houses in the interior need to be fixed up before we can live in them. We hope, if it is the Lord's will, that we can buy a place. We only desire the will of God in all that we do or say."

We are expecting one of the greatest camps that we have ever had. It will be held in the entire district to join us in prayer that the Lord will bless his work in this section.

We are looking forward to this year by having our Brother D. W. Kern, of the Central Bible Institute, with us; and every one who misses the Bible lessons that he will bring to us will miss some real soul food; so we especially urge that everyone who possibly can get away will be here for the entire camp. Mrs. D. W. Kern will also be here. We have the privilege of having in our assembly a beautiful 10-acre ground at the corner of 23rd and Sixty-Fifth Avenue. To reach by street car, take Woodstock car to Fifty-First Street and walk north one block to entrance of grounds at Sixty-Fifth Avenue.

We have signed up trains for autos at both Sixth and Nineteenth Sts. This will be the home of the camp meetings for the Northwest District Council of the Assemblies of God.
